

V ENCUESTRO

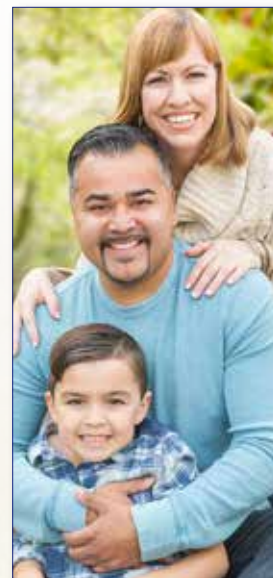

MISSIONARY DISCIPLES: WITNESSES OF GOD'S

love

Leader Training for PARISH SMALL GROUPS during

Lent

The V Encuentro (5th "Encounter" or "meeting") is an initiative of the U.S. bishops calling all Catholics to listen to the needs, challenges and aspirations that the growing Hispanic/Latino population faces in daily life. An additional goal is to call all Catholics to become authentic, joyful missionary disciples.

Parishes in the Diocese of Saint Cloud have been invited to organize five small group sessions during Lent to help us live out our call to be joyful missionary disciples in a culturally diverse Church, giving witness to the tenderness and nearness of God's love.

The following training sessions will provide a brief overview of V Encuentro and the Lenten small group sessions that are a part of this process:
